

Dorothy Jackson Family Resource Center (Family Service Agency)

Who We Are

DJFRC is open to all families and children in the Lompoc community. The FRC offers an array of referral and linkages that supports basic needs referrals, dental preventative and treatment services, translation, Case Management & support, on site family counseling services, preschool/ school readiness referrals, parent education classes, health & safety workshops, Medical/ Healthy Families/ Healthy kids insurance enrollment, Toys for Tots and literacy support for young children in story time activities. The FRC supports and collaborates with many community programs that provides family strengthening services and provides linkages with Adult Education in areas of ESL, GED and job training classes. The FRC also partners with Lompoc Unified School District in support of student academic

Success Story

DJFRC worked with a young mother of a child under the age of 5 and was pregnant with the second child. She became incarcerated before the birth of the second child. During her incarceration, she gave birth and was then sentenced to serve five years in prison. The DJFRC provided assistance in locating the father of both children per the request of the mother and notified him of the location of his children. The father gained custody of the children and began receiving case management services from the FRC. He enrolled in the parent classes, began and completed his GED, and other community support services for aid to assist in his substance abuse issues. Through a strong dedication, the father completed all the CA court requirements and was granted full custody of the children. He received his GED and now is currently attending a local college.
