Family Resource Center

Mission: To facilitate the strengthening of the family unit through coordinated and culturally appropriate resources that promote self-sufficiency and healthy families.

About : “The Westminster Family Resource Center (WFRC) Collaborative, formed in 2000, serves all families residing in the City of Westminster and surrounding communities. This includes intact families with children birth through 18, single parents, blended families, foster and adoptive families, relative caregivers and anyone who is in need.

The Westminster Family Resource Center has become the centralized information and referral point for the community. Families can easily access services outside those offered by our Partners and with the assistance of the staff make necessary linkages with other community based agencies.”

Westminster Family Resource Center partners with many agencies in a collaborative effort to provide a comprehensive array of programs to the community members they serve. Some of these agencies include:

- Abrazar, Inc.
- Boys and Girls Club of Westminster
- Interval House
- Families and Communities Together (FaCT), Orange County
- The City of Westminster
- Western Youth Services
- Healthy Start
- Huntington Beach Community Clinic
- Orange County Head Start
- Salvation Army
- Shelter for the Homeless
- Westminster School District
- WIC/Orange County Health Care Agency
