Vision :

FIRST 5 Santa Clara County will act as a catalyst for ensuring that the developmental needs of children ages 0-5 are a priority in all sectors of the community.

Mission Statement:

FIRST 5 Santa Clara County supports the healthy development of children ages 0-5 and enrich the lives of their families and communities.

Child Signature Program (CSP)

FIRST 5's Santa Clara County's Child Signature Program (CSP) is a high quality, early learning for infant/toddlers and 3 & 4 year old children living in communities with high levels of cumulative risk and the lowest Academic Performance Index (API) schools in Santa Clara County. The goal of CSP is to help children develop personal, social, emotional and physical competence to become effective learners and be ready to transition into kindergarten.
