

Mission Statement

Strengthening children, families and communities to be safe, healthy and thriving.

Vision

A nationally recognized family support organization that builds upon the strengths of individuals, families, and communities through effective, accessible, fully integrated services and partnerships.

Values

Interface’s staff, volunteers and Board of Directors will be guided by the following shared core values:

COMMUNITY. Interface builds partnerships that encourage teamwork and empower friends, families and neighborhoods.

EXCELLENCE. Interface holds itself to the highest standards of efficiency, program quality and service results.

INTEGRITY. Interface builds credibility and trust in the community by aligning its mission, programs, people and results.

RESPECT. Interface demonstrates positive attitude and professional regard among staff, volunteers and community members.

SERVICE. Interface serves with compassion and commitment.
